## Sponsor Form

Benefiting Hooves to Freedom: A non-profit local equine therapy facility for physical and mental health disorders.

Saturday, January 26, 2019—10 am Patterson, GA

When 13 year old Mallory Hamilton began therapeutic horse lessons at Hooves to Freedom, she had a lot of fear and anxiety. Through this ministry Mallory has overcome those obstacles and continues to conquer them. She is also learning fine motor skills, building her muscles for balance, improving her gait and coordination, and is gaining independence and value in her work.

*"We are so proud of Mallory's progress. These lessons have helped her self confidence and increased her muscle strength. I absolutely love watching her ride!" Anna Thigpen*

Your financial sponsorship of this race will allow Hooves to Freedom to continue to provide a life changing service to adults and children. Please join with us in keeping this mission alive and growing. Thank you for your support!
